

CURRICULUM VITAE

Name: Gérard Gaudet

Address: Département de sciences économiques
Université de Montréal
C.P. 6128, Succursale centre-ville
Montréal
Québec (Canada), H3C 3J7

E-mail: gerard.gaudet@umontreal.ca

UNIVERSITY EDUCATION

1969–1972	University of Pennsylvania
1968–1969	University of British Columbia
1967–1968	Université Laval, Québec
1964–1967	Université Laval, Québec
1960–1964	Université de Moncton, N.B., Canada

DEGREES

Ph.D.(Econ.), 1972
M.Sc.Soc.(Econ.), 1970
B.Sc.Soc.(Econ.), 1967
B.A., 1964

UNIVERSITY POSITIONS

- Professor Emeritus, Department of Economics, University of Montreal, 2010–
- Full Professor, Department of Economics, University of Montreal, 1996–2009
- Full Professor, Department of Economics, Laval University, 1994–1996
- Full Professor, Department of Economics, University of Quebec at Montreal, 1989–1994
- Full Professor, Department of Economics, Laval University, 1983–1989
- Associate Professor, Department of Economics, Laval University, 1977–1983
- Assistant Professor, Department of Economics, Laval University, 1975–1977
- Assistant Professor, Department of Economics, University of Quebec at Montreal, 1974–1975
- Assistant professor, Department of Economics, University of Western Ontario, 1972–1974

UNIVERSITY ADMINISTRATIVE POSITIONS

- Director of the Ph.D. program in economics, University of Montreal, 2004–2008
- Chair, Department of Economics, University of Montreal, 1997–2002
- Chair, Department of Economics, Laval University, 1994–1996.
- Director of the Graduate programs in economics, Laval University, 1984–1986.
- Chair, Department of Economics, Laval University, 1978–1981.
- Director of the Graduate programs in economics, Laval University, 1977–1978.

VISITING POSITIONS

- Visiting Researcher, Tilburg University, The Netherlands, October–November 2012
- Visiting Researcher, INRA-Toulouse and IDEI, Université de Toulouse, November 2002–July 2003.
- Visiting Researcher, CentER, Tilburg University, The Netherlands, April 2003.
- Visiting Scholar, Department of Economics, University of Michigan, September–October 2002.
- Visiting Professor, Faculté des sciences économiques, University of Toulouse, France, January - June 1997.
- Visiting Researcher, INRA-Toulouse and IDEI, University of Toulouse, France, June 1999, June 1998, June 1996, June 1995, June 1994, June 1993.
- Visiting Professor, GREQAM, Université d'Aix-Marseille II, France, May–June 1991, May–June 1992, May 1993, May 1995.
- Visiting Scholar, Department of Economics, University of Michigan, 1987–1988.
- Visiting Professor, Faculté des sciences économiques, University of Toulouse, France, June 1985, May 1986, June 1989.
- Visiting Professor, Département de sciences économiques, Université de Montréal, Fall 1983.
- Visiting Researcher, Institut économique et juridique de l'énergie, Université des sciences sociales de Grenoble, Grenoble, France, 1981–1982.

EDITORIAL POSITIONS

- Associate Editor, *Resource and Energy Economics*, 2012–2015.
- Editorial Board, *Environmental and Development Economics*, 2009–2016
- Associate Editor, *Journal of Environmental Economics and Management*, 1998–2001
- Editorial Board *Canadian Journal of Economics*, 1992-1995.
- Editorial Council *Journal of Environmental Economics and Management*, 1992–1994.
- Editorial Board, *L'Actualité économique / Revue d'analyse économique*, 1988–1992.
- Editorial Board, *Canadian Journal of Economics*, 1977–1980.

PRIZES AND DISTINCTIONS

- Fellow of the Canadian Resource and Environmental Economics Association (CREEA), sine 2021.
- Fellow of the Canadian Economic Association (CEA), since 2021
- Honorary Member, French Association of Environmental and Resource Economists (FAERE), since 2016.
- Keynote Speaker, CREE Conference, Sherbrooke, Québec, October 2015.
- Keynote Speaker, SURED Conference, Ascona, Switzerland, June 2014.
- Honorary Doctorate, University of Moncton, May 2010.
- Professor Emeritus, University of Montreal, 2010.
- President of the Canadian Economics Association, 2006-2007.
- Fellow of the Royal Society of Canada (The Academies of Arts, Humanities and Sciences of Canada), since 2005.
- President of the Société canadienne de science économique, 1983–1984.
- William Polk Carey Prize, best Ph.D. thesis, Department of Economics, University of Pennsylvania, 1972.

OTHER SCIENTIFIC AND PROFESSIONAL ACTIVITIES

- Member of the Board of Directors, Institut Donald J. Savoie, Université de Moncton, 2012–2019
- Researcher at the Centre interuniversitaire de recherche en économie quantitative (CIREQ), University of Montreal, 2000–2019

- Member of the scientific programme committee, Annual Conference of the European Association of Environmental and Resource Economists, (Helsinki, 2015; Toulouse, 2013; Prague, 2012; Rome, 2011; Amsterdam, 2009; Gothenburg, 2008; Thessaloniki, 2007).
- Co-Chair of the Local Organization Committee and of the Scientific Program Committee, 4th World Congress of Environmental and Resource Economists, Montreal, June 28 – July 2, 2010.
- Member of the Program Committee of the Fifth (Istanbul, 2014), Third (Kyoto 2006) and Second (Monterey, California, 2002) World Congress of Environmental and Resource Economists.
- Member of the International evaluation committee, International Research Chairs Initiative, IDRC-CRC, 2008.
- Member of the Scientific committee, Congrès de l'Association française de science économique, Toulouse, France, 9–11 June 2008.
- Member of the international program committee of the 7th Meeting on Game Theory and Practice, Dedicated to Energy, Environment and Natural Resources, HEC Montréal, May 28 - 30, 2007.
- President-elect 2005–2006 and Program Chair of the 2006 Meetings of the Canadian Economics Association.
- Member of the Board of Directors of the Institut de finance mathématique de Montréal (IFM2), 2006–2009.
- Vice-president, Canadian Economics Association, 2004–2005.
- Member of the Scientific and Organisation Committee of the Toulouse Conference on Environment and Resource Economics, (Fifth, juin 2004; Fourth, mai 2001; Third, juin juin 1999; Second, mai 1997; First, mars 1995).
- External reviewer, Undergraduate programs in economics, York University, Toronto, March 2004.
- Co-organizer of the 2002 meetings of the Canadian Resource and Environmental Economics Study Group, Université de Montréal, October 19–20, 2002.
- Member of the Program Committee of the meetings of the Canadian Resource and Environmental Economics Study Group (Brock University, Octobre 2001; University of Guelph, Octobre 2000).
- Researcher at the Centre de recherche sur les transports/Center for research on transportation (CRT), University of Montreal, 1996–2000
- Member of the College of Reviewers, Canada Research Chairs, 2000–

- Member of the selection committee for the “Challenge” of the Task Force on the Future of the Canadian Financial Services Sector, 1998.
- Member of the Board, Laval University Chair on Insurance, September 1994–1996.
- Fellow, Centre interuniversitaire de recherche en analyse des organisations (CIRANO) (Interuniversity center for research on the analysis of organisations), 1994–1997.
- Researcher, Groupe de recherche en économie de l’énergie, de l’environnement et des ressources naturelles (GREEN) (Research group on energy, environmental and resource economics), Laval University, 1994 –1996.
- Member of the Board of Directors of the Canadian Economics Association, 1992-1995.
- External reviewer, Undergraduate programs in economics, University of Moncton, April 1992
- External reviewer, Joint Ph.D. program in Economics, Carleton University and University of Ottawa, Winter 1991.
- Researcher, Groupe de recherche en économie de l’énergie et des ressources naturelles (GREEN) (Research group on energy, environmental and resource economics), Laval University, 1976–1989.
- Membre du Comité-conseil, Volet Equipe et séminaire, Fonds F.C.A.R., 1984–1987.
- Member of the Board of Directors, Société canadienne de science économique (Canadian Economics Society), 1978–1981.
- Program chairman, 20e Meetings of the Société canadienne de science économique, Québec, May 14-16, 1980.
- Research assistant, Department of Economics, University of British Columbia, 1968–1969.
- Research assistant, Department of Economics, Université Laval, Summer 1968.
- Research assistant, Economic Council of Canada, Summer 1967.
- Research assistant, Department of Labor, New-Brunswick, Canada, Summer 1965, Summer 1966.

PUBLICATIONS

“Modeling Nonrenewable Resources Use with Multiple Demands and Multiple Sources” (with Stephen Salant), *Environmental and Resource Economics*, vol. 70, 2018, 737–755. [First Online: February 2016, (DOI 10.1007/s10640-016-0003-9)]

“The Management of Natural Resources Under Asymmetry of Information” (with Pierre Lasserre), *Annual Review of Resource Economics*, vol. 7, 2015, 291–308.

“On the Effects of Mergers on Equilibrium Outcomes in a Common Property Renewable Asset Oligopoly” (with Hassan Benckroun), *Journal of Economic Dynamics and Control*, vol. 52, 2015, 209–223.

“The Hotelling Model with Multiple Demands”, (avec Stephen W. Salant), in *Handbook on the Economics of Natural Resources*, eds Robert Halvorsen and Dave Layton, Cheltenham, U.K.: Edward Elgar Publ., 2015, pages 23–40.

“The Taxation of Nonrenewable Natural Resources”, (avec Pierre Lasserre), in *Handbook on the Economics of Natural Resources*, eds Robert Halvorsen and Dave Layton, Cheltenham, U.K.: Edward Elgar Publ., 2015, pages 66–96.

“Some Effects of Asymmetries in a Common Pool Natural Resource Oligopoly”, (with Hassan Benckroun and Hervé Lohoues), *Strategic Behavior and the Environment*, vol. 4, 2014, 1–22.

“Prices of Durable Nonrenewable Natural Resources under Stochastic Investment Opportunities”, (with Calvin Atewamba), *Resource and Energy Economics*, vol. 36, 2014, 528–541.

“The Economics of Oil, Biofuel and Food Commodities”, (with Eric Bahel and Walid Marrouch), *Resource and Energy Economics*, vol. 35, 2013, 599–617.

“The Quest for Hegemony Among Countries and Global Pollution”, (with Johnson Kakeu), *Dynamic Games and Applications*, vol. 1, 2011, 498–513.

“The Impact of Recycling on the Long-Run Forestry ”, (with Didier Tatoutchoup), *Canadian Journal of Economics*, vol. 44, 2011, 804–813.

“The efficient use of multiple sources of a nonrenewable resource under supply cost uncertainty ”, (with Pierre Lasserre), *International Economic Review*, vol. 52, 2011, 245–258.

“The Economic Dynamics of Antibiotic Efficacy under Open Access”, (with Markus Herrmann), *Journal of Environmental Economics and Management*, vol. 57, Issue 3, 2009, 334–350.

“On Limits to the Use of Linear Markov Strategies in Common Property Resource Games”, (with Hervé Lohoues), *Environmental Modeling and Assessment*, vol. 13, 2008, 567–574.

“Natural Resource Economics under the Rule of Hotelling” (Presidential Address), *Canadian Journal of Economics*, vol. 40, 2007, 1033–1059.

“Temporary Natural Resource Cartels”, (with Hassan Benckroun and Ngo Van Long),

Journal of Environmental Economics and Management, vol. 52, 2006, 663–674.

“The Alberta Dilemma: Optimal Sharing of a Water Resource by an Agricultural and an Oil Sector”, (with Michel Moreaux and Cees Withagen), *Journal of Environmental Economics and Management*, vol. 52, 2006, 548–566.

“Trade Liberalization and the Profitability of Domestic Mergers” (with Rams Kanouni), *Review of International Economics*, vol. 12, 2004, 353–358.

“Recycling Redux: A Nash-Cournot Approach” (with Ngo Van Long), *Japanese Economic Review*, vol. 54, 2003, 409–419.

“The Effect of Periodic Quotas Limiting the Stock of Imports of Durables”, (with Stephen Salant), *Journal of Economic Theory*, vol. 109, 2003, 402–419.

“On the Profitability of Production Perturbations in a Dynamic Natural Resource Oligopoly”, (with Hassan Bencheikroun), *Journal of Economic Dynamics and Control*, vol. 27, 2003, 1237–1252.

“Private Storage of Common Property”, (with Michel Moreaux and Stephen Salant), *Journal of Environmental Economics and Management*, vol. 43, 2002, 280–302.

“Intertemporal Depletion of Resource Sites by Spatially-Distributed Users” (with Michel Moreaux and Stephen Salant), *American Economic Review*, vol. 91, 2001, 1149–1159.

“Upstream-Downstream Specialization by Integrated Firms in a Partially Integrated Industry” (with Ngo Van Long and Antoine Soubeyran), *Review of Industrial Organization*, vol. 14, 1999, 321–335.

“Real Investment Decisions under Adjustment Cost and Asymmetric Information” (with Pierre Lasserre and Ngo Van Long), *Journal of Economic Dynamics and Control*, vol. 23, 1998, 71–95.

“On the Optimal Order of Natural Resource Use When the Capacity of the Inexhaustible Substitute is Limited”, (with Jean-Pierre Amigues, Pascal Favard and Michel Moreaux), *Journal of Economic Theory*, vol. 80, 1998, 153–170.

“Rational Pricing of Groundwater with a Growing Population” (with Jean-Pierre Amigues and Michel Moreaux), *Environmental Modeling and Assessment*, vol. 2, 1997, 323–331.

“De l’usage optimal de divers types de ressources naturelles” (with Jean-Pierre Amigues, Pascal Favard and Michel Moreaux), *Annales d’économie et de statistique*, No 48, 1997, 147–189. [On the optimal use of different types of natural resources]

“Ressources naturelles et ordre optimal d’exploitation” (with Jean-Pierre Amigues, Pascal Favard and Michel Moreaux), *Revue d’économie politique*, vol. 107, no 2, 1997, 205–230. [On the order of exploitation of natural resources]

“Quelques caractéristiques des marchés en réseau”, *Revue de l'Énergie*, vol. 47, no 486, 1997, 205–209. [Characteristics of markets with network effects]

“Anti-dumping Laws and Oligopolistic Trade” (with Jiang Bian), *Journal of Economic Integration*, vol. 12, 1997, 62–86.

“Dynamic Incentive Contracts with Uncorrelated Private Information and History Dependent Outcomes” (with Pierre Lasserre and Ngo Van Long), *Japanese Economic Review*, vol. 47, 1996, 321–334.

“Vertical Integration, Foreclosure and Profits in the Presence of Double Marginalisation” (with Ngo Van Long), *Journal of Economics and Management Strategy*, vol. 5, 1996, 409–432.

“Complementarity, Coordination and Compatibility: The Role of Fixed Costs in the Economics of Systems” (with Dominique Desruelle and Yves Richelle), *International Journal of Industrial Organisation*, vol. 16, 1996, 747–769.

“De quelques spécificités de la valorisation des ressources naturelles semi-renouvelables” (with Jean-Pierre Amigues and Michel Moreaux), *Annales d'économie et de statistique*, no 39, juillet/septembre 1995, 107–121. [On some particularities of the valuation of semi-renewable resources]

“Optimal Resource Royalties with Unknown and Temporally Independent Cost Structures” (with Pierre Lasserre and Ngo Van Long), *International Economic Review*, vol. 36, 1995, 715–749.

“Quelques caractéristiques des marchés en réseau”, in *L'Efficacité des organisations et la compétitivité de l'économie*, R. Lacroix, C.E. Forget and G Fortin eds., Montréal: Association des économistes québécois, 1994. [Characteristics of markets with network effects]

“On the Effects of the Distribution of Initial Endowments in a Non Renewable Resource Duopoly” (with Ngo Van Long), *Journal of Economic Dynamics and Control*, vol. 18, 1994, 1189–1198.

“Mergers of Producers of Perfect Complements Competing in Price” (with Stephen Salant), *Economics Letters*, vol. 39, 1992, 359–364.

“Towards a Theory of Horizontal Mergers” (with Stephen Salant), in George Norman and Manfredi La Manna (eds.), *The New Industrial Economics: Recent Developments in Industrial Organisation, Oligopoly and Game Theory*, London: Edward Elgar Publishing, 1992, 137–158.

“Increasing the Profits of a Subset of Firms in Oligopoly Models with Strategic Substitutes” (with Stephen Salant), *American Economic Review*, vol. 81, no 3, 1991, 658–665.

“Uniqueness of Cournot Equilibrium: New Results from Old Methods”, (with Stephen Salant), *Review of Economic Studies*, vol. 58, no 2, 1991, 399–404.

“The Evolution of Natural Resource Prices under Stochastic Investment Opportunities: An Intertemporal Asset-Pricing Approach”, (with Ali Khadr), *International Economic Review*, vol. 32, no 2, 1991, 441–455.

“‘Les ressources non renouvelables: le côté offre’: Commentaire”, *Actualité économique / Revue d’analyse économique*, vol. 66, no 4, 1990, 461–466. [Nonrenewable resources: the ‘supply side’: a comment]

“Dynamiques comparés des effets de la taxation minière” (with Pierre Lasserre), *Actualité économique / Revue d’analyse économique*, vol. 66, no 4, 1990, 467–497. [Comparative dynamics effects of mining taxation]

“Types de concurrence dans les duopoles de ressources naturelles non renouvelables” (with Jean-Pierre Amigues and Michel Moreaux), *Revue d’économie politique*, vol. 100, no 3, 1990, 401–415. [Types of competition in nonrenewable natural resource duopolies]

“Price Versus Quantity Rules in Dynamic Competition: The Case of Nonrenewable Natural Resources”, (with Michel Moreaux), *International Economic Review*, vol 31, no 3, 1990, 639–650.

“A Note on Uncertainty and the Hotelling Rule”, (with Peter Howitt), *Journal of Environmental Economics and Management*, vol. 16, no 1, 1989, 80–86.

“On Comparing Monopoly and Competition in Exhaustible Resource Exploitation”, (with Pierre Lasserre), *Journal of Environmental Economics and Management*, vol. 15, no 4, 1988, 412–418.

“A Comparison of Bertrand and Cournot Equilibrium Outcomes in a Differentiated Nonrenewable Resources Duopoly”, (with Michel Moreaux), *Mathematical and Computer Modelling*, Vol. 11 (Mathematical Modelling in Science and Technology), 1988, 903–906.

“Bertrand and Cournot Equilibrium Price Paths in a Nonrenewable Resource Differentiated Duopoly”, (with Jean-Pierre Amigues and Michel Moreaux), in H.A. Eiselt and G. Pederzoli (eds.), *Advances in Optimization and Control*, Berlin: Springer-Verlag, 1988, 434–357.

“Théorie économique des ressources non renouvelables: quelques éléments de synthèse”, (with Nguyen Manh Hung), in A. Ayoub and J. Percebois, eds., *Pétrole: marchés et stratégies*, Paris: Economica, 1987. [Economic theory of nonrenewable resources: a synthesis]

Ressources naturelles et théorie économique, (with Pierre Lasserre), Québec: Presses de l’Université Laval, 1986. [Natural resources and economic theory]

“Taxation du revenu du capital, provision pour épuisement et exploitation optimale d’une ressource non renouvelable”, (with Pierre Lasserre), in G. Gaudet and P. Lasserre, eds. *Ressources naturelles et théorie économique*, Québec: Presses de l’Université Laval, 1986. [Taxation of income from capital, depletion allowance and optimal extraction of nonrenewable resources]

“Capital Income Taxation, Depletion Allowances, and Nonrenewable Resource Extraction”, (with Pierre Lasserre), *Journal of Public Economics*, vol. 29, no 2, 1986.

“SOQUEM: son mandat, ses contraintes et sa rentabilité”, (with Jean-Thomas Bernard), *Document no 299*, Ottawa: Conseil économique du Canada, 1986. [SOQUEM: Its mandate, its constraints and its performance]

“L’impôt sur le revenu des sociétés et le coût du capital dans l’entreprise minière”, (with Pierre Lasserre), *Canadian Journal of Economics*, vol. 17, no 4, 1984. [Corporate income tax and the cost of capital to the mining firm]

“Théorie économique et prévision en économie des ressources naturelles”, *Actualité économique/Revue d’analyse économique*, vol. 60, no 3, 1984. [Economic theory and forecasting in the economics of natural resources]

“Rente minière, prix et marchés des ressources naturelles non renouvelables”, in J.-P. Angelier *et al.*, *Rente et structures des industries de l’énergie*, Grenoble: Presses Universitaires de Grenoble, 1983. [Rents, prices and markets for nonrenewable resources]

“Investissement optimal et coûts d’ajustement dans la théorie économique de la mine”, *Canadian Journal of Economics*, vol. 16, no 1, 1983. [Optimal investment and costs of adjustment in the theory of the mine]

“The Forces Underlying the Evolution of Natural Resources Policies of Québec”, in C. Beigie and A. Hero (eds.), *Natural Resources in U.S.-Canadian Relations*, vol. 1, Boulder (Colorado): Westview Press, 1980.

“L’évolution des politiques des ressources naturelles au Québec: quelques éléments d’histoire et d’analyse”, in Claude Montmarquette *et al.*, *Economie du Québec et choix politiques*, Montréal: Presses de l’Université du Québec, 1979. [The evolution of natural resources policy in Québec: history and analysis]

“Introduction”, numéro spécial sur l'économie des ressources naturelles, (with A. Ayoub), *Actualité économique*, vol. 53, no 4, 1977.

“Ressources non renouvelables et taxation”, *Actualité économique*, vol. 53, no 4, 1977. [Nonrenewable resources and taxation]

“On Returns to Scale and the Stability of Competitive Equilibrium”, *American Economic Review*, vol. 67, no 2, 1977.

“Optimal Capital Accumulation: the Neoclassical Framework in a Canadian Context”, (with J.D. May and D.G. McFetridge), *Review of Economics and Statistics*, vol. 58, no 3, 1976.

“A propos des investissements fixes des entreprises du modèle CANDIDE”, (with Philippe Rouzier), *Actualité économique*, vol. 52, no 1, 1976. [On fixed business investment in the CANDIDE model]

BOOK REVIEWS AND OTHER RESEARCH REPORTS

“Adjustment Costs and Optimal Firm Size”, *Research Report 7309*, Department of Economics, University of Western Ontario, 1973.

“Imperfect Stock Adjustment and the Relative Efficacy of Monetary and Fiscal Policy”, *Research Report 7405*, Department of Economics, University of Western Ontario, 1974.

Review of “Consumer Behaviour: An Experiment in Analytical Economics” par Nicos E. Develetoglou, *Canadian Journal of Economics*, vol. 7, no 2, 1974.

“On the Introduction of Stock Adjustment Costs in a Simple Static Macro Model“, Département d'économie, Université Laval, septembre 1975.

“Les forces sous-jacentes à l'évolution des politiques des ressources naturelles au Québec”, *Cahier de recherche 7811*, Département d'économie, Université Laval, 1978. [The evolution of Quebec natural resource policies]

“Une évaluation des effets redistributifs du secteur public” (with G. Beausoleil and J.-M. Cousineau), préparé pour l'émission “L'éconothonèque” de Radio-Canada, mai 1978. [An evaluation of the redistributive effects of the public sector]

“Structure et évolution du financement des compagnies exploitant des mines de métaux non-ferreux au Québec, 1960-1976” (with R. Carter and H.-P. Rousseau), préparé pour le Ministère des Richesses naturelles du Québec, juin 1978. [The structure and evolution of the financing of companies exploiting non-ferrous metals in Quebec, 1960-1976]

Review of A.B. Atkinson and A.J. Harrison, “Distribution of Wealth in Britain”, New York and London: Cambridge University Press, 1978, *Canadian Journal of Economics*, vol. 12, no 2, 1979.
